Main Character Introduction

OTOHATA
REI

Freshman at Meisho Daichi High School, "High School Punk Number One," according to popular teen magazines. The idol of Kogals everywhere.

ASO
YUYA

Freshman at Meisho Daichi High School, "High School Punk Number Two," according to popular teen magazines. Known as "Number Two" among Ran and her friends.

KUROI
TATSUKI

Also known as Blackwell (derived from his hometown and family name in English). Ran's boyfriend.

KOTOBUKI
YAMATO

KOTOBUKI
SAYO

Ran's older brother. Police officer stationed at the police box in Shibuya.

HOSHINO
AYA

Freshman at Honan High School. Smartest girl in her class with the highest grades, and a serious student, too. Although, all of the time studying has left her a little rusty with the boys. Thanks to Ran's help and encouragement, she is currently dating Rei.

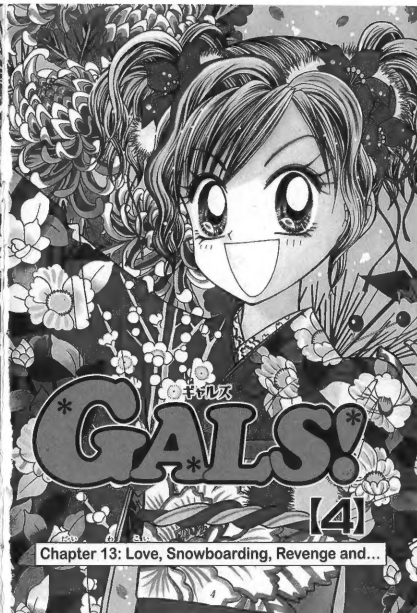

KOTOBUKI RAN

Freshman at Honan High School. Comes from a long line of police officers that continues to the present day, with both her parents and older brother (Yamato) being officers of the law and her younger sister (Aya) planning to follow in the family's footsteps. Ran, however, is the ultimate Shibuya Kogal and it's in Shibuya where she just wants to hang out and have fun, albeit with no money.

WHAT'S NEW
WITH ME

you! Welcome here! So how're you all doing? Good! yeah! I'm ace!! It's September so I write this! Dabon's Funfest is over and done with and it went successfully!! This year, I was in Osaka and Tokyo and I had a blast!! To be frank, Biggie was amazing!! This year's event made the biggest impression on me out of all the conventions I've ever been to!! The staff was really nice and the part-time workers were all fun people to be around!! But more than anything, there was such a great atmosphere of intense excitement generated by all the readers who came to the Fest!! I think everyone who was there had a ball! Kudos to everyone involved for producing such a successful event!! When I think of September, I think of fall fashion!!

JUST
LEARNING
THE
BASICS
EX-
HAUSTED
ME!

IT'S A
TOUGH
SPORT,
HUN?

MÅL

I was just in Shibuya checking things out and all the fall fashions of clothes were on display in the store windows! But the girls who were out and about were still dressed like it was midsummer!! Especially the ganguro girls! I picked up lavender and olive green jeans, two mini T-shirts, an orange fall sweater, etc. Recently, I'm a lucky girl! Examples: I got hold of a really rare, ultra-cute pink cell phone, a motorcycle, pink colorable bicycle, and at driver's license school, on my first day there, I was complimented by my teacher! I know, I'm getting carried away with that but one thing held on to it's the little things that mean so much to me!

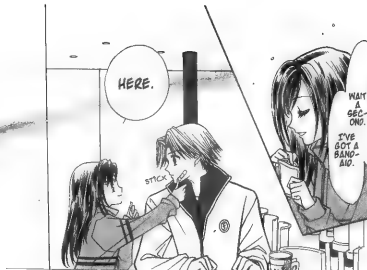

>>>NEXT

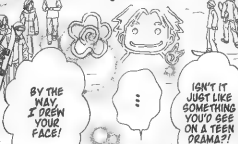

SUDDENLY, IT HIT ME-- "MAYBE I'LL NEVER BE ANYTHING BUT 'NUMBER TWO' TO RAN." AND THAT JUST TOOK ALL THE AIR OUT OF ME.

YESTERDAY, YOU CRIED. TODAY, YOU LAUGH.

IF YOU GET HURT BUT STILL FEEL THE SAME WAY ABOUT RAN... ..WELL, WHO KNOWS WHAT TOMORROW WILL BRING?

IT WOULD'VE KILLED ME TO TELL HIM, "I'M JUST A FRIEND." ...A COUPLE MINUTES AGO, TATSUKICHI ASKED ME "WHAT I WAS" TO RAN-CHAN... AND I COULDN'T ANSWER.

IT'S JUST FROM FEBRUARY 10TH TO THE 14TH, 5-9 P.M. AND IT'S RIGHT HERE AT SHIBUYA CENTER!!! AWESOME!!!

HEY, HOW ABOUT THIS ONE? "STREET VENDORS NEEDED TO SELL VALENTINE'S DAY CHOCOLATE. IS AND OVER CAN APPLY. 1000 YEN AN HOUR!!"

SORRY, PASS!!

WHY?!

WIG LECTURE STEP 2!!

1. Tie your hair back as low as you can. Look over your bangs as a guide.
 2. If your hair points out, smooth it down with moisture or something.
 3. Put one little bangs and go for off-center bangs.
 4. How the wig was on?
 5. Finally, listen to the wig on with your hair.
- Try to get the top back as close to the top of your head as possible. For the bottom bangs, if you have bangs, they will look well! (Annoyed)
- It's better to see the shape of your head than make your hair look like a mess. It's better to see the shape of your head than make your hair look like a mess.

RAN'S ROOM♡

Due to an overwhelming number of requests, it's open house for the 'Cafe' room! We'll start off with Ran's room. But the theme is 'Annoyed' (SCL) but I'll let Ran explain the decor herself. The summary I listed out when my Mom bought me that leopard-pattern bordered floor rug. Other stuff you see decorating the walls are miscellaneous. Like the western hat, which Miku and I bought together to get a 'new look' going! What ya think got the room's clean? Okay but don't dare open the closet! What I'd like to add are leopard-pattern curtains! Annoying, my room's the best place for me to hang out when I need to recharge my batteries!

It's hard to write with this pen! I'm gonna ditch there. Well, I guess that's the update on me. I'm really looking forward to the fall and winter fashions that'll start coming out any time now! You can bet I'll be doing a lot of research in fashions in the months to come.

GUY INFORMATION NOTES

Let's start with a pop quiz!!! which character in GUY takes me the longest to draw!! tick-tick-tick-tick-tick-tick.

Time's up!! (Garry stupid as usual) The correct answer is Officer Katokuni Yamada in uniform!! (surprised) yeah, it really takes a long time to get him down!! yeah, think about it! His police officer's uniform.

NEXT>>>

SHYNE-PLAY

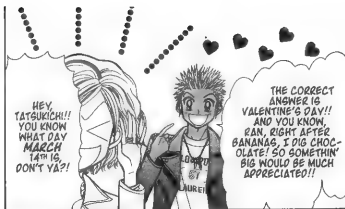

>> it's really complicated! take a gender if you don't believe me! it's like, what it is, in the military!

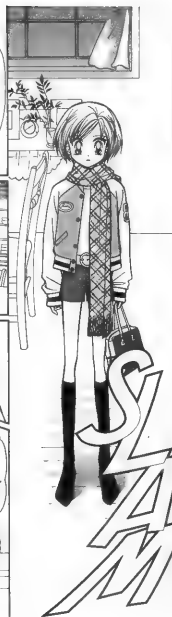

Actually, I've been going to a dentist in Aoyama recently and have seen tokidoki police officers making their rounds in the area so, a few days ago, I was on my way to the dentist when the police officer, who'd just emerged from the tokidoki police box, started walking in front of me! Not believing my luck, I checked him out from front to front and even managed to snap a few pics of him with my digital camera! Deep in mind this is all for (story reason) lol; when I thought I'd pulled off my surveillance without him even knowing, the officer caught a glimpse of me in the side-view mirror of a motorbike! Our eyes fixed on each other in the mirror and I lost a holy nervous! (LOL) it's not like I was doing anything wrong, but still, it's scary when a police officer catches his eyes on you! He was my type, though! (high heels) Oh, yeah, so the uniform, it's got all kinds of goodies attached to it, like a walkie-talkie, handcuffs, a nightstick, a whistle, and on and on.

NEXT>>

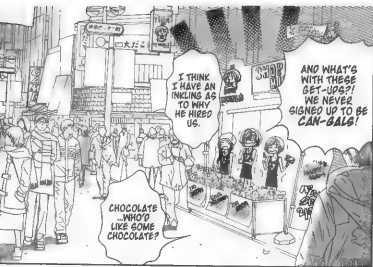

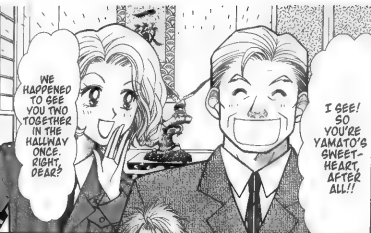

...I GOT MY WIVES CROSSED AND THOUGHT I'D BECOME SOME SORT OF BURDEN TO YOU.

...BACK AT THE POLICE BOX, WHEN YOU SAID "RESPONSIBILITY..."

YOU KNOW, I DIDN'T WANT TO SPOIL ANYTHING TILL...

BELIEVE ME, THAT WAS ONLY TO KEEP MYSELF IN CHECK.

TILL THEN, YOU MIGHT GET LONELY NOW AND AGAIN, BUT JUST BE PATIENT.

AFTER YOU GRADUATE HIGH SCHOOL, WE'LL GET MARRIED AND LIVE TOGETHER, JUST THE TWO OF US.

JUST STICK IT OUT FOR TWO MORE YEARS IN YOUR APARTMENT.

I KNOW, THAT'S BASICALLY WHAT RAN SAID.

YOU CAME TO THAT STARTLING CONCLUSION ALL BY YOURSELF?

A SCHOLARSHIP TEST...

I DON'T KNOW IF I CAN HANDLE IT.

RAN TOLD ME ABOUT YOUR PROBLEM WITH SCHOOL FEES. THERE'S A SCHOLARSHIP TEST COMING UP NEXT MONTH. THEY SAY IF YOU PASS IT, YOUR TUITION GETS WAIVED.

WHY DON'T YOU TAKE A SHOT AT IT?

SOUNDS LIKE... A GOOD PLAN.

WELL, IT'S POSSIBLE, SO LET'S TAKE EACH PROBLEM AS IT COMES, SOLVING IT BEFORE MOVING ON.

...TO THE NEXT ONE, AND ALWAYS THINKING POSITIVELY.

I HOPE YOU START MAKING GRAND-CHILDREN SOON!

YAMATO, NOW THAT YOU'RE ENGAGED, YOU HAVE TO TAKE ON A GREAT DEAL MORE RESPONSIBILITY!

I KNOW, DAD.

I SWEAR I'LL MAKE HER HAPPY.

THIS IS THE FIRST TIME YOU'VE BEEN IN YOUR ROOM.

THIS IS THE FIRST TIME I'VE BEEN IN YOUR ROOM.

WOW.

WA HA HA! NO, REALLY?!

LOOKS LIKE I'M GETTING ANOTHER BIG SISTER!

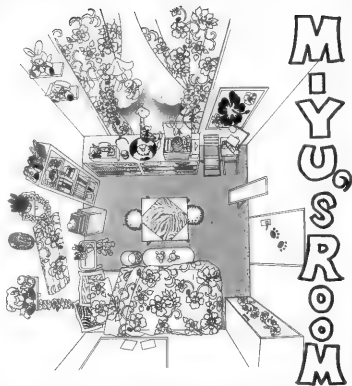

H-HOW DID WE GET TO THIS POINT ALL OF A SUDDEN?!

Chapter 15: Can Ran-chan Pull Off a Miracle?!

Next, let's check out Myri's room! Now we've got a bird's-eye view that makes it easier to get a feel for the room! Right? UCL! Anyway, let's get a comment from Myri's!

"What, you're looking at my room? I don't really mind, it's just that my room's hardly better than a closet. Embarrassing! But I've tried to make do with what I have and give it a 'like, honey feel!' I love hincies, which is what accounts for the curtain and bed cover patterns! I don't get much use out of the desk and chair most of the time, I do my homework and eat at the coffee table here in the center of the room. I've grown really fond of this room, but in the near future, I'll be saying 'sayonara' since after I graduate from high school, yamato-kun and I are going to find a new place together! Kyaaa! Kyaaa! I'm blushing even as I say it! Thank you, Myri UCL!"

>> Drawing a police officer's
note is also more difficult
than you'd think and so
that's why it takes me the
longest time to draw
yamadō kun! when I think of
Akoyama, I think

My grandfather when I go to my dentist in Aoyama, I get off at Nishiya station and walk, but along the way, have to bridge up that steep slope of

Myriophyllum and so it was that on my last trip there, I literally tripped here three times in *Phrynosoma*.
On one occasion I painfully embarrassed myself by not wearing a tie and heard several (sniff) this, already being late for my appointment, I was in a hurry and it was a melting hot day outside. Trying to sprint up that rose was exhausting and I stumbled twice before going down for the big fall. Unfortunately, I'm prone to provoking my reactions, see, and so, hearing embarrassing upon injury, I yelled, uccaaaah and I'm really regretting it.

BINGO!

WHA--?!
RAN, ARE

RIGHT?

AND IF YOU DON'T GET A MINIMUM AVERAGE OF 80% ON FIVE SUBJECTS, YOU'RE GONNA REPEAT FRESHMAN YEAR!

АЧЧЧ!

SHOCK!!

AFTER ALL, YOU HAVE TO TAKE A MAKEUP EXAM THE SAME DAY I'M TAKING MY TEST!

And you can be sure that I'll be applying the same trick-to-2-furthest to GALT! And making of GALT that's the sign that means I'm about to change the topic, about the cover for volume 4.

Nothing's changed! Even though in volume 3, I talked big about using my imagination more for the cover design but time around, it's turned out basically the same way. I wish my attempt to laugh it off these days, I'm also pink, so that's not my color of choice for the cover! But we're still stuck with the same black placement of the three friends and I don't know why, but to me it just seems so right that Miyu-chan would be on the left and Ayu-chan on the right. It's like I don't even have to think about it, my hand automatically draws on that way for volume 4, I'll attempt to come up with something different—more so again, making promises that we'll be with Ayu-chan showing the subject again soon, do you think I talk too casually in these new volumes? I've gotten mad from the editor saying my writing style is "friendly," but I don't know.

>>>NEXT

Are there any other mangaka out there who talk the crazy to their readers!! when I do this, I'm just writing off the top of my head, so some rule stuff might come out I guess gets cum a third eye so thinking what's a little too candid, don't think the trying to laugh off my foolish yet again!

Can say what can update!!!
yay!! later later

you all know psychodis, right, from Morning Musume? well, I'll give you the breakdown on what he's been up to lately! He's of right now, September 1999. he's been a busy guy! with an abundance of energy and enthusiasm, it looks like the spends every day working out and doing voice training as well as running the business. No power the, psychodis is on her way to becoming a professional singer/composer!! so everybody keep an eye out for the new the psychodis, coming soon to a media format near you!! And remember to give her your support!!

okay, I guess that's about all I can say for now. hah hah! but keep your eyes peeled!

AND
TRUST ME...
YOU CAN
AFFORD
TO BE
CONFIDENT!

RELAX.

THAT'S
'CAUSE
YOU'RE
THINKING
TOO
HARD!

I
WANT TO

I DON'T

NO,

HEY,
YUYU,

YOU

YOU'RE NOT

THEN YOU
MUST NOT

ANY OF
YOUR
FRIENDS!

I'M GONNA JOIN THE ACADEMIC-TRACK CLASS AFTER ALL.

...I WAS WORRIED ABOUT WHETHER YOU'D STILL BE MY FRIENDS IF WE WERE SPLIT UP.

YEAH, ACTUALLY ...

I KNEW THERE WAS SOMETHING HEAVY ON YOUR MIND THESE PAST FEW DAYS!

I WAS EXPECTING A BIGGER REACTION.

YEAH. AND?

WELL, I THINK YOU'VE MADE THE RIGHT CHOICE.

WELL, TAKE CARE, "SIS!"

YEAH, YEAH, YEAH.

RELAX FOR THE REST OF THE NIGHT. RAN, LET HER BORROW A PAIR OF PAJAMAS.

HEY, WE CAN HAVE A PAJAMA PARTY!

YEAH, I SUP-POSE.

CAN I STAY THE NIGHT?

WOW, MY FIRST SLEEP-OVER!

I ALREADY TOLD MY PARENTS I'M GONNA BE STUDYING WITH FRIENDS.

...UM, THERE'S SOMETHING I WANT TO TELL YOU GUYS.

AND I CAN'T BELIEVE YOU MADE ME SAY SOMETHING SO CHEESY!

"BEST FRIENDS" ISN'T JUST SOME DOPEY EXPRESSION! IT'S A FRIENDSHIP WHERE HEARTS ARE BOUND TO EACH OTHER!

JEEZ, YOU'RE A BIRD-BRAIN!

BUT SHE'S RIGHT!

FRIENDS WHOSE HEARTS ARE TIED TOGETHER ARE FRIENDS WHO'LL STAY THAT WAY ALL THEIR LIVES!

...WE'LL STILL BE FRIENDS, RIGHT?

EVEN IF WE'RE IN SEPARATE CLASSES...

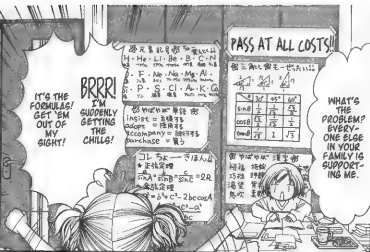

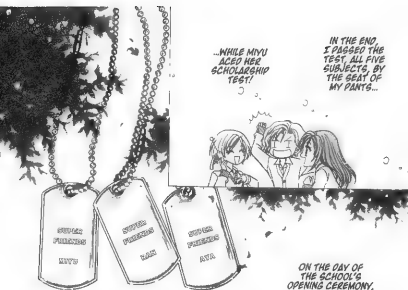

THEN I FINALLY REALIZED THAT WANTING THINGS TO STAY AS THEY ARE NOW IS JUST AN AVOIDANCE TECHNIQUE.

BUT IF I BELIEVE... AND STAY POSITIVE... THEN THERE'S NOTHING TO BE AFRAID OF.

GALS! 4: End

GALS!

Mihona Fujii

Fearless Kotobuki Ran strolls through the streets of trendy Shibuya with her Gal Pals on a quest for designer goods... at the same time dispensing her own brand of street justice!

The Gals' second year of high school is on the horizon-but Ran may be left behind!

Ran and her Gal pals ring in the New Year, one that will be full of fun and games and change and pain. After Miyu's mother refuses to pay her high school tuition, Miyu and her perpetually poor friend Ran try to find part-time jobs. Even as the Gals are about to enter their second year of high school, they face the possibility of being split up.

The BEST-SELLING manga that inspired the hit anime SUPER-GALS!
